

Partnership Announcement

VOWI and Sovereign Rise Announce Strategic Partnership to Empower Purpose-Driven Women Leaders Through Global Collaboration

Dated - 30 July 2027

Voice of Women in Innovation (VOWI) is proud to announce a strategic partnership with **Sovereign Rise Global Collective**, an invite-only global ecosystem for purpose-driven founders and CEOs. This collaboration brings together two communities committed to empowering visionary leaders, fostering meaningful connections, and creating opportunities that accelerate innovation, leadership, and global impact.

The partnership reflects a shared commitment to supporting women leaders, entrepreneurs, innovators, and changemakers by creating spaces where authentic leadership, collaboration, and sustainable growth can thrive. While VOWI has built a global platform that amplifies women's voices in innovation through thought leadership, community engagement, and knowledge-sharing, Sovereign Rise cultivates a high-trust ecosystem where purpose-driven CEOs align identity, strategy, and leadership to scale with intention and long-term impact.

Through this collaboration, both organizations will jointly curate a range of initiatives, including:

- Global networking and community-building opportunities
- Leadership workshops and executive learning sessions
- VOWI Speaker Series featuring distinguished global leaders
- Podcast conversations highlighting inspiring founder journeys and leadership insights
- Cross-community collaborations and visibility opportunities

Together, VOWI and Sovereign Rise aim to create an ecosystem where leaders not only expand their professional networks but also gain access to meaningful conversations, collaborative opportunities, and practical insights that enable sustainable growth.

Statement from Erila Haska, Founder, Voice of Women in Innovation (VOWI)

"At VOWI, we believe that meaningful innovation begins with meaningful connections. Our partnership with Sovereign Rise represents an exciting opportunity to bring together purpose-driven leaders from across the globe, creating spaces where ideas, experiences, and collaborations translate into lasting impact. Together, we are building a stronger ecosystem that empowers women to lead with confidence, authenticity, and vision."

Statement from Veena Ramaswamy, Founder, Sovereign Rise Global Collective

"Sovereign Rise Global Collective represents more than a collaboration; it represents a shared vision for the future of leadership. Partnering with VOWI reflects our mutual commitment to amplifying visionary voices, creating meaningful opportunities for collaboration, and equipping purpose-driven leaders with the relationships, visibility, and strategic support they need to create lasting global impact. Together, we're building an ecosystem where leadership becomes a force for collective transformation & enduring legacy."

This partnership marks the beginning of a long-term collaboration focused on strengthening global leadership, advancing innovation, and creating opportunities for women to connect, learn, and grow together through shared purpose and collective action.

About Voice of Women in Innovation (VOWI)

Voice of Women in Innovation (VOWI) is a global community dedicated to empowering women innovators, entrepreneurs, researchers, executives, and changemakers. Through speaker series, knowledge-sharing initiatives, strategic partnerships, and global networking opportunities, VOWI amplifies women's voices and fosters an inclusive innovation ecosystem.

About Sovereign Rise Global Collective

Sovereign Rise is an invite-only private global ecosystem for seven- to nine-figure purpose-driven CEOs. It brings together visionary founders in a trusted environment where leadership identity, strategic growth, and authentic visibility are aligned, enabling members to scale sustainably while expanding their global influence.
